STARS OF LIGHT

II

When we look up at the night sky, we see countless stars. They enchant us with their beauty and bathe the world in precious light.

The world of lighting has stars of its own, which sparkle, shimmer and give your living space a special radiance.

This year's highlights include a touch of elegance, Nordic and modern styles, mixed with new materials and brand-new finishes. As well as large chandeliers with different dynamics that create an exclusive ambience.

Bring your very own starlight into your home with every luminaire.

La nuit, quand le ciel est dégagé, on peut voir d'innombrables petites étoiles scintiller. Elles nous émerveillent par leur beauté et apportent au monde une précieuse lumière.

Ces étoiles, on les retrouve aussi dans le domaine des luminaires: elles brillent, étincellent, et confèrent un nouvel éclat à votre pièce.

Les points forts de cette année incluent une touche d'élégance, des styles nordiques et modernes, mélangés à de nouveaux matériaux et de toutes nouvelles finitions. Ainsi que de grands lustres aux dynamiques différentes qui créent une ambiance exclusive.

Chaque luminaire représente ainsi une petite étoile qui illumine votre chezvous.

Errors, misprints, model and price changes are without reservation. Photos and drawings may not always represent the product accurately.

Actual product may not be exactly as shown due to adaptation for the North American market.

Performance of dimmable EGLO LED lighting fixtures may vary with different types of dimmers and applications.

The lumens stated are based on light sources with a color temperature of 3000 Kelvin (K). Variations in color temperature (e.g., cooler or warmer tones) may affect the perceived brightness and actual lumen output. Delivered lumens available upon request.

Les erreurs, fautes typographiques, changements de modèles et de prix sont sans réserve. Les photos et les dessins peuvent ne pas toujours représenter exactement le produit.

Le produit réel peut différer de l'illustration en raison de l'adaptation pour le marché Nord-Américain.

La performance des luminaires au DEL EGLO avec luminosité variable peut différer selon le type d'application et du gradateur utilisé.

Les lumens indiqués sont basés sur des sources lumineuses avec une température de couleur de 3000K. Les variations de température de couleur (par exemple, des tons plus froids ou plus chauds) peuvent affecter la luminosité perçue et le flux lumineux réel. Les lumens délivrés sont disponibles sur demande.

Natural Balance Équilibre naturel

These minimalist designs complement the trend towards sustainability and combine natural materials, elegant shapes and the crowning touch of neutral colour combinations.

Ces designs minimalistes s'inscrivent dans la tendance actuelle de durabilité en alliant des matériaux naturels et des formes délicates, et trouvent leur couronnement dans des combinaisons de couleurs neutres.
